ThinkPad T440s

POSITIONING STATEMENT

The ThinkPad T440s Ultrabook™ is the thinnest and lightest ThinkPad T-series laptop Lenovo offers. Starting at 3.5 pounds and measuring just .81 inches at its thickest point, it's easy to slide into any bag and won't weigh you down. The ThinkPad T440s Ultrabook's legendary durability and performance make it an uncompromising machine for the most discerning professionals.

KEY FEATURES

- Premium lightweight Carbon Fiber making it thinner, but stronger
- Only .83 inches thin
- Powered with up to 4th generation Intel® Core™ i7 processors
- Full High Definition (FHD) Touch capable
- Over 17 hours of battery life high capacity battery
- Renowned ThinkPad Precision keyboard
- Optional Near Field Communication (NFC) capability

MARKET PERSPECTIVE

The Lenovo ThinkPad T440s is a no-compromise thin and light Ultrabook for demanding professionals. This lightweight premium ultrabook features 4th generation Intel Core processors, longer battery life (up to 17 hours), FHD Touch capability and Dolby® Home Theater® v4. Carbon Fiber reinforced materials deliver ultimate durability while keeping the T440s at just 3.5 pounds.

With the T440s you can work comfortably from the office, at home or on the road. With 4G LTE and 3G connectivity, users can stay connected with a complete suite of wireless technology. The T440s also features HD+, FHD and FHD Touch display options and Dolby® Home Theater® v4 sound to deliver bright, crisp visuals and immersive surround sound, for a dynamic viewing experience whether you're giving a presentation or relaxing with a movie.
